REMOTE LEARNING

VIRTUAL CULTURAL EXPERIENCE PACKAGE FROM CENTRAL BRISTOL

PACKAGE INCLUDES: TWO 1 HOUR LIVE LESSONS / LECTURES

LESSON 1:

LIVE IN CENTRAL BRISTOL WITH ONE OF OUR EXPERT GUIDES

Your guide will broadcast live from Bristol and will lead you to significant locations using image stabilisation, and encouraging interactions from the group.

Themes of session 1 include:

The history of Bristol.

Bristol and the growth of worldwide graffiti culture.

Banksy, Bristol and the rise of the Global Street Art phenomenon.

LESSON 2:

A JOURNEY INTO THE WORLD OF CALLIGRAPHY & GRAFFITI STYLE-WRITING

Exploring the history of lettering and using our exclusive custom digital software that transforms all smartphones into **Infinite Ink Pads** with no additional software downloading, the group will be guided remotely through a number of exercises designed to re-engage young people with hand writing skills where they will create a fictitious anonymous graffiti artist, and then design their own lettering style for the newly created graffiti artist. At the end of the session, everyone's new styles will be displayed for all to see, but anonymously!

Session 2 includes:

Learning the history of lettering.

Exploring & experimenting with lettering styles

Designing a new lettering style

All students will require a smart phone for session 2 and access to a computer.

We are more than happy to discuss any learning modules you have in order to make our sessions compliment your study path.

We can offer the sessions in multiple languages and for English language learners.
